**GUIDELINES FOR ASSIGNMENT No. 1:**

You should look upon the assignments as a test of knowledge, management skills, and communication skills. When you write an assignment answer, you are indicating your knowledge to the teacher:

- Your level of understanding of the subject;
- How clearly you think?
- How well you can reflect on your knowledge & experience?
- How well you can use your knowledge in solving problems, explaining situations, and describing organizations and management?
- How professional you are, and how much care and attention you give to what you do?

To answer a question effectively, address the question directly, bring important related issues into the discussion, refer to sources, and indicate how principles from the course materials apply. The student must also be able to identify important problems and implications arising from the answer.

For citing references, writing bibliographies, and formatting the assignment, APA format should be followed.

## **ASSIGNMENT No. 2**

**Total Marks: 100**

You are required to go through the Public Sector Development Program (PSDP) of Pakistan and prepare a comprehensive (15 to 20 pages) critical review of the same. Your study should also contain the facts related to impact of PSDP on the economic development of the country.

For citing references, writing bibliographies, and formatting the assignment, APA format should be followed.
